### **Day 1 — Day 1: Inthanon National Park full day trip**

Get picked up from your hotel in Chiang Mai city center for a day to explore one of Thailand's original national parks and highest mountain, Doi Inthanon.

Perfect for adventurers and culture enthusiasts alike, this tour will feature picturesque landscapes, remote villages, and incredible viewpoints.

The first stop is one of the largest and the most beautiful waterfalls in the country, the Wachirathan Waterfall. Over 80 meters high, the power of this waterfall creates a refreshing mist that feeds the surrounding vegetation.

The next stop is the stunning 50-meter cascade, Sirithan Waterfall fed by the Mae Klong River. Next, you'll stop at the famous twin pagodas: the Napamatanee Don and Napaphon Bhumisiri. Built for the Royal King and Queen, they are located at the highest point in Thailand.

The last stop is a visit to the Karen Tribe locale. Learn a bit about the hill tribes people's culture and way of life in their village of Sobhad.
